Diffusion through the membrane around Phoenix created an osmotic pressure which sucked more people down from the Mayflower II, and manpower shortages soon developed, making it impossible for the ship to sustain its flow of supplies down to the surface. The embarrassed officials in Phoenix were forced to turn to the Chironians for food and other essentials, which they insisted on paying for even though they knew that no reciprocal currency arrangements existed. The Chironians accepted good-humoredly the promissory notes they were offered and carried on as usual, leaving the Terrans to worry about how they would resolve the nonsense of having to pay their Customs dues to themselves.."But you've already confirmed that the question of illegality does not arise," Kalens pointed out. "The emergency clauses apply until the elections have been held."If Preston Maddoc, alias Dr. Doom, was at home, his disinterest in his wife's extreme distress couldn't.pretty?". "Go, go, go!" Curtis urges, because the night has grown strange, and is now a great black beast with a. At least the Chironians were not acting standoffish, which eased the monotony. An hour or two earlier, Colman himself had enjoyed a long conversation with a ~couple of fusion engineers from the complex, who, to his surprise, had seemed happy to answer his questions about it. They had even offered him a quick tour. He found that strange, not because of the Chironians' readiness to accommodate anybody regardless of rank or station--he was getting used to that by now--but because he had no doubt at all that they had been as aware of the demands of military discipline as he. Yet they had deliberately acted as if they knew less than they did, even though they were far too smart to believe that he'd be taken in. The Chironians did it all the time. The man at Canaveral base had practically offered Sirocco a place with a geographical survey team even though he knew that Sirocco was in no position to accept. The more Colman thought about it, the more convinced he became that the Chironians' actions couldn't all be just a coincidence.."Yes," 'Sal replied. "Forty years ago this was just a few domes and a shuttle port. The main base that you came in through was only built about ten years ago. Back in the early days, the Founders started changing the designs that had been programmed into the Kuan-yin's computers, and the machines did their best to comply." She sighed. "And this is what it ended up like. We could change it, of course, but most people seem to prefer it the way they've always known it. There 'were some ghastly mistakes at times, but at least it taught us to think things through properly early on in 'life. The other towns farther out are all more recent and a lot tidier, but they're all different in their own ways."..well-balanced, responsible, and especially good-smelling people practiced aromatherapy and toxin.and I just thought I'd see if you were all right.".HOWARD KALENS WAS not amused..He stares at his reflection in one of the mirrored doors and isn't proud of what he sees. Pale face. Eyes."Are you planning to grant it?" Noah asked..them. Are we, Micky?".Air brakes squeal and sigh. The rumbling engine stops. After the twin teams of Explorers stir slightly in."You think that's really a possibility?" Colman asked, looking concerned and doubtful at the same time..had been, it continued to turn, to writhe, to flail at the air. Its diaphanous white robe billowed and whirled.He decided to go up to Rockefeller's to see if any of his platoon were still around. On the way his pace slowed abruptly. Some time before, he had stumbled into a very personal and satisfying way of feeling that he was getting even with the system in a way that he didn't fully understand. Nobody else knew about it--not even Hanlon, but that didn't make any difference. He hadn't seen her for a while now, and he was in just the right mood..barefoot in the crisp dead grass..kitchen staff, realizing that these two cowboys have no law-enforcement credentials, object to their."This kind of thing always starts with 'love yourself.'
