I wish we could.hear sounds of city or human beings..Not long afterward I left. I didn't want to be hung-over on my first spell of picket duty. It was a cool night, and the stars were thick in the sky. I caught glimpses of the Project as I made my way home through the narrow streets. It dominates the whole city. The whole Plain, for that matter. It had sort of a pale, blurred look in the starlight, the six completed stages blending together, the uncompleted seventh one softly serrated against the night sky. Working on it every day, I've kind of forgot how high it is, how much higher it's going to be when we get back on the job. The highest thing ever, they say. I won't dispute that. It makes a palm tree look like a blade of grass and a man look like an ant. Looking at it tonight, I felt proud to be one of the builders. It was as though I'd built the whole thing myself. That's the way a bricklayer feels sometimes. It's really great I feel sorry for brickmakers. You'd never catch me slogging all day in a mud hole..chair. She turned her head sideways and addressed the old woman behind the refreshment counter.. "But that's not important. The important thing is what you said from the first, and I'm surprised you didn't see it. If we're a colony, we expand. By definition. Historian, what happened to colonies that failed to expand?". "That's fascinating, isn't it?" the Usher concluded, after setting forth further facts about this remarkable department store..that much different in principle from playing one of the instruments in the backup band, though it's a hell of.The North Wind mumbled and groaned around the darkness for a while and at last said, "Very well..Mama shook her head. All of us have our fingers crossed..199.Science: Clone, Clone of My Own."So we'll put that one in the Fairy Godmother file and forget about it. If it happens, fine. But we'd better plan on the assumption that it won't. As you may know, the E.R.B.-Podkayne are the only ships in existence that can reach Mars and land on it. One other pair is in the congressional funding stage. Winey talked to Earth and thinks there'll be a speedup in the preliminary paperwork and the thing'll start building in a year. The launch was scheduled for five years from now, but it might get as much as a year boost. It's a rescue mission now, easier to sell. But the design will need modification, if only to include five more seats to bring us all back. You can bet on there being more modifications when we send in our report on the blowout. So we'd better add another six months to the schedule."..These may never be as important as you think. The prospect of importance rests chiefly on certain.I charged after him. That might come to two years or even three..His dark eyes were astounding. If you blocked out the rest of the face, leaving nothing but the eyes,.."I just want to point out that instead of an expedition, we are now a colony. Not in the usual sense of planning to stay here forever, but all our planning will have to be geared to that fiction. What we're faced with is not a simple matter of stretching supplies until rescue comes. Stopgap measures are not likely to do us much good. Hie answers that will save us are the long-term ones, the sort of answers a colony would be looking for. About two years from now we're going to have to be in a position to survive with some sort of lifestyle that could support us forever. We'll have to fit into this environment.I am also enclosing the rules for Two-Person Zorphwar, a version of the system that Hazeldorf has just completed. Up until now, play of-Zorphwar has been possible only against a set of Zorph warships under the unimaginative control of the computer. With the two-person game, one player commands the Avenger while the other commands the Zorph fleet. The player terminals may be anywhere, as long as they are connected to our central computer. Thus, one player could be out there in California and the other back here in New York..brave and strong and beautiful, and could govern beside any man. He said I was proud, and that my pride was good. But then he saw how I looked in mirrors at my own face, and he said that I was vain, and my vanity was bad, and that it would keep me apart from the prince I was worthy of. The shiny surface of all things, he told me, will keep us apart, until a prince can gather the pieces of the mirror together again, which will release me."..As a lover of variations on a theme, though, Fm usually intrigued when a producer decides to use exactly the same property that has been made into a movie before. This has happened curiously often in the science fiction and fantasy genres; it's surprising how few people know there are two (or more) versions of a fair number of movies.
