Sirocco ordered most of the D Company personnel to secure the block against intruders and cordoned off the routes past it toward the outside. He sent Colman with a mixed detachment from Second and Third platoons to aid in whatever way they saw fit. They quickly encountered a squad of SD's who took them in tow to the west gate, a small side entrance to the campus, which was where the action was supposed to be. Colman wanted to post

Just as he was about to reply, he noticed the woman standing on the far side of the entrance, across from the gatehouse. She was wearing a beret and a light-colored raincoat with the collar turned up, and seemed to be trying to attract his attention without making herself too conspicuous. "Oh, Jesus-" He looked at the two. "Look, I need a few minutes. Jay, stay right there." He walked across to the woman and was almost face to face with her before he recognized Veronica, for once looking neither impish nor mischievous..If Curtis could trade this particular swell adventure for a raft and a river, he would without hesitation.Cautiously he looks forward along the driver's side of the truck, sees no one, and moves to the."How do you know when you've done enough work?" Jay asked him, trying to make it simpler..Although Casey and Barbara remained outwardly cordial and polite, they were making no attempt to disguise the fact that they felt the same way. Colman realized that for the first time he was seeing Chironians with the gloves off. All the warmth, exuberance, and tolerance that had gone before had been genuine enough, but beneath it all lay more deeply cherished values which came first, no matter who made the pleas. On that, there could be no concessions..campground for an evening, and we never see them again. "Some of your mother's boyfriends??.The first that Colman and his companions had heard was a shot from downstairs, followed by startled shouts and some crashing sounds, and then another shot. By the time they ran into the cellar bar, just seconds later, Wilson was already dead from a shot between the eyes and Ramelly was on the floor with blood gushing from his leg. Padawski and the others were standing uncertainly by the bar, covered by a .38 automatic that one of the young Chironian women was holding. Several other weapons had appeared around the room. A few tense seconds had gone by before Padawski conceded that he had no option but to capitulate, and the SDs had arrived with commendable speed shortly thereafter..campground. Not even a real rest stop with bathrooms or a picnic table, or anything. Just this lonely wide.If the Chironians were already fitting out the Kuan-yin, they must have solved a lot of the problems that were still being argued on Earth, Colman thought. The whole planet, he realized as he reflected on it, was a powerhouse of progress, unchecked by any traditions of unreason and with no vested-interest obstructionists to hold it back. If the pattern continued until Chiron became a fully populated world, it would effectively leave Earth back in the Stone Age within a century. "Have you actually flown it anywhere yet?" he asked, turning his head toward Kath. "The Kuan-yin . Has it been anywhere since it arrived in orbit here?".time is his ally. There was no way of backing out; Swley had spotted him entering even before Colman had noticed the 'four uniforms in the corner. "Small world, chief," Driscoll.Leilani appeared to be surprised. "Don't you read newspapers?". "They'll say he never existed, that I'm just disturbed and invented him, like an imaginary playmate.".the door and the rear fence. The grass flourished because Geneva watered it regularly with a hose..For that was how they fought. They had watched while their opponents grew weaker by ones and twos, and they had waited for the remnants to turn upon one another and wear themselves down. Then the Chironians had moved..Paul Lechat paced back and forth in agitation across the lounge of the Fallowses' apartment in Cordova Village. "I didn't think the Chironians would go that far." he said. "I thought they would react only against direct violence. Why couldn't they have just let everything die a natural death?".Colman looked unconsciously toward Kath for her opinion.. "Port Norday?".The others exchanged puzzled looks. "It is, isn't it," Colman agreed dismally..The darkness of the woods..Paul Lechat raised the Separatism issue again and looked for a while as if he would carry a majority as commercial lobbyists defected from the Kalens camp. But the timing of the moment was not in Lechat's favor, and Borftein torpedoed the motion fresh off the launching ramp. with a scathing depiction of them all allowing themselves to be chased off across the planet like beggars from somebody's back door. Ramisson, who had been heading the movement for unobstructed integration into the Chironian system, lodged a plea for restraint, but it was obvious that he knew the mood was against him and he was speaking more to satisfy the expectations of his followers than from any conviction that he might influence anything.
