That's one of positive results of just how your readers can be influenced by mcdougal out of each theory. And that ebook is had to browse , some times detail by detail, so it may be so ideal for you and your own life. When the vizier came to the King of Samarcand [and acquainted him with his errand], he submitted himself to the commandment [of his brother and made answer] with 'Hearkening and obedience.' Then he equipped himself and made ready for the journey and brought forth his tents and pavilions. A while after midnight, he went in to his wife, that he might take leave of her, and found with her a strange man, sleeping with her in one bed. So he slew them both and dragging them out by the feet, cast them away and set forth incontinent on his journey. When he came to his brother's court, the latter rejoiced in him with an exceeding joy and lodged him in the pavilion of entertainment, [to wit, the

guest-house,] beside his own palace. Now this pavilion overlooked a garden belonging to the elder king and there the younger brother abode with him some days. Then he called to mind that which his wife had done with him and remembered him of her slaughter and bethought him how he was a king, yet was not exempt from the vicissitudes of fortune; and this wrought upon him with an exceeding despite, so that it caused him abstain from meat and drink, or, if he ate anything, it profited him not. . . . Till in a robe of sandal green 'twas clad And veil that blended rose and flame (216) in hue. . . . 33. Ali the Persian and the Kurd Sharper cccxiv. . . . For nought of worldly fortune I weep! my only joy In seeing thee consisteth and in thy seeing me. . . . I hope for present (62) good [and bounty at thy hand.] For souls of men are still to present (63) good inclined. . . . The Second Night of the Month. When it was the eighth day, the viziers all assembled and took counsel together and said, "How shall we do with this youth, who baffleth us with his much talk? Indeed, we fear lest he be saved and we fall [into perdition]. Wherefore, let us all go in to the king and unite our efforts to overcome him, ere he appear without guilt and come forth and get the better of us." So they all went in to the king and prostrating themselves before him, said to him, "O king, have a care lest this youth beguile thee with his sorcery and bewitch thee with his craft. If thou hearest what we hear, thou wouldst not suffer him live, no, not one day. So pay thou no heed to his speech, for we are thy viziers, [who endeavour for] thy continuance, and if thou hearken not to our word, to whose word wilt thou hearken? See, we are ten viziers who testify against this youth that he is guilty and entered not the king's sleeping-chamber but with evil intent, so he might put the king to shame and outrage his honour; and if the king slay him not, let him banish him his realm, so the tongue of the folk may desist from him." . . . My virtues 'mongst men are extolled and my glory and station rank high. . . . So she made ready and setting out, traversed the deserts and spent treasures till she came to Sejestan, where she called a goldsmith to make her somewhat of trinkets. [Now the goldsmith in question was none other than the prince's friend]; so, when he saw her, he knew her (for that the prince had talked with him of her and had depicted her to him) and questioned her of her case. She acquainted him with her errand, whereupon he buffeted his face and rent his clothes and strewed dust on his head and fell a-weeping. Quoth she, 'Why dost thou thus?' And he acquainted her with the prince's case and how he was his comrade and told her that he was dead; whereat she grieved for him and faring on to his father and mother, [acquainted them with the case]. . . . I supplicate Him, who parted us and doomed Our separation, that we may meet again. . . . 86. The Three Unfortunate Lovers dclxxii. Then he conferred on him a dress of honour and engaged to him for the completion of the dowry and sent to his father, giving him the glad news and comforting his heart with [the tidings of] his son's safety; after which he said to Bihzad, Arise, O my son, and go to thy father.' 'O king,' rejoined the prince, 'complete thy kindness to me by [hastening] my going-in to my wife; for, if I go back to my father, till he send a messenger and he return, promising me, the time will be long.' The king laughed and marvelled at him and said to him, 'I fear for thee from this haste, lest thou come to shame and attain not thy desire.' Then he gave him wealth galore and wrote him letters, commending him to the father of the princess, and despatched him to them. When he drew near their country, the king came forth to meet him with the people of his realm and assigned him a handsome lodging and bade hasten the going-in of his daughter to him, in compliance with the other king's letter. Moreover, he advised the prince's father [of his son's coming] and they busied themselves with the affair of the damsel. . . . I. The Wife's Device to Cheat her Husband dlxxxiv. When the queen heard the last of the talk, she said to the cook, 'The judgment between you shall not be but in accordance with justice.' Then she dismissed all those who were present and turning to her brother, said to him, 'Indeed thy soothfastness is established with me and the truth of thy speech, and praised be God who hath brought about union between thee and thy wife! So now begone with her to thy country and leave [seeking] thy sister Selma and depart in peace.' But Selim answered, saying, 'By Allah, by the virtue of the All-knowing King, I will not turn back from seeking my sister till I die or find her, if it please God the Most High!' Then he called his sister to mind and broke out with the following verses from a heart endolor'd, afflicted, disappointed, saying: . . . All hearkening to my word, obeying my command, In whatsoever thing is pleasing to my sight. . . . In her revolving scheme, to bitter sweetness still Succeeds and things become straight, after crookedness. . . . Awake, Asleep and, i. 5. . . . So saying, he fell upon her and beat her with a staff of almond-wood, till she cried out, "[Help], O Muslims!" and he redoubled the beating upon her, till the folk heard her cries and coming to her, [found] Aboulhusn beating her and saying to her, "O old woman of ill-omen, am I not the Commander of the Faithful? Thou hast enchanted me!" When the folk heard his words, they said, "This man raveth," and doubted not of his madness. So they came in upon him and seizing him, pinioned him and carried him to the hospital. Quoth the superintendent, "What aileth this youth?" And they said, "This is a madman." "By Allah," cried Aboulhusn, "they lie against me! I am no madman, but the Commander of the Faithful." And the superintendent answered him, saying, "None lieth but thou, O unluckiest of madmen!". Sixth Officer's Story, The, ii. 146. . . . Munir drank off his cup and ordered her eight hundred thousand dinars, whereat Kemeriyeh rejoiced and rising to her feet, kissed Tuhfeh on her face and said to her, 'May the world not be bereaved of thee, O thou who lordest it over the hearts of Jinn and mortals!' Then she returned to her place and the Sheikh Iblis arose and danced, till all present were confounded; after which he said to Tuhfeh, 'Indeed, thou embellishest my festival, O thou who hast commandment over men and Jinn and rejoicest their hearts with thy loveliness and the excellence of thy faithfulness to thy lord. All that thy hands possess shall be borne to thee [in thy palace and placed] at thy service; but now the dawn is near at hand; so do thou rise and rest thee, as of thy wont' Tuhfeh turned and found with her none of the Jinn; so she laid her head on the ground and slept till she had gotten her rest; after which she arose and betaking herself to the pool, made the ablution and prayed. Then she sat beside the pool awhile and pondered the affair of her lord Er Reshid and that which had betided him after her and wept sore. . . . It chanced one night that the king sallied forth without the city and drank and the wine got the mastery of him and he became drunken. So, of the youth's fearfulness for him, he said, 'I will keep watch myself over the king this night, seeing that he deserveth this from me, for that which he hath wrought with me of kindnesses.' So he arose forthright and drawing his sword, stationed himself at the door of the king's pavilion. Now one of the royal servants saw him standing there, with the drawn sword in his hand, and he was of those who envied him his favour with the king; so he said to him, 'Why dost thou on this wise at this season and in the like of this place?' Quoth the youth, 'I am keeping watch over the king myself, in requital of his bounties to me.' The kings and all those who were present rejoiced in this with an exceeding delight and the accursed Iblis came up to Tuhfeh and kissing her hand, said to her, 'There abideth but little of the night; so do thou tarry with us till the morrow, when we will apply ourselves to the wedding (203) and the circumcision.' Then all the Jinn went away, whereupon Tuhfeh rose to her feet and Iblis said, 'Go ye up with Tuhfeh to the garden for the rest of the night.' So Kemeriyeh took her and carried her into the garden. Now this garden contained all manner birds, nightingale and mocking-bird and ringdove and curlew (204) and other than these of

all the kinds, and therein were all kinds of fruits. Its channels (205) were of gold and silver and the water thereof, as it broke forth of its conduits, was like unto fleeing serpents' bellies, and indeed it was as it were the Garden of Eden. (206). Meimoun was silent and Iblis turned to Tuhfeh and said to her, 'Sing to the kings of the Jinn this day and to-night until the morrow, when the boy will be circumcised and each shall return to his own place.' So she took the lute and Kemeriyeh said to her, (now she had in her hand a cedrat), 'O my sister, sing to me on this cedrat.' 'Harkening and obedience,' replied Tuhfeh, and improvising, sang the following verses: Ibrahim and his Son, Story of King, i. 138..? ? ? ? ? Ye are the pleasance of my soul; or present though you be Or absent from me, still my heart and thought with you remain. Meanwhile, the people of the city rejoiced and were glad and blessed the vizier's daughter, marvelling for that three days had passed and that the king had not put her to death and exulting in that, [as they deemed,] he had turned [from his purpose] and would never again burden himself with blood-guiltiness against any of the maidens of the city. Then, on the fourth night, she related to him a still more extraordinary story, and on the fifth night she told him anecdotes of kings and viziers and notables. On this wise she ceased not [to do] with him [many] days and nights, what while the king still said in himself, 'When I have heard the end of the story, I will put her to death,' and the people waxed ever in wonder and admiration. Moreover, the folk of the provinces and cities heard of this thing, to wit, that the king had turned from his custom and from that which he had imposed upon himself and had renounced his heresy, wherefore they rejoiced and the folk returned to the capital and took up their abode therein, after they had departed thence; yea, they were constant in prayer to God the Most High that He would stablish the king in that his present case; and this," said Shehrzad, "is the end of that which my friend related to me." ? ? ? ? ? o.
