It's a tale of the Founding of Roke, and if the Masters.never asked him about his teacher..IN THE YEARS after Diamond left home, Golden made more money than he had ever done before. All his.King Maharion sought peace and never found it. While Erreth-Akbe was in Karego-At (which may have been a period of years), the depredations of the dragons increased. The Inward Isles were troubled by refugees fleeing the western lands and by interruptions to shipping and trade, since the dragons had taken to setting fire to boats that went west of Hosk, and harried ships even in the Inmost Sea. All the wizards and armed men Maharion could command went out to fight the dragons, and he went with them himself four times; but swords and arrows were little use against armored, fire-spouting, flying enemies. Paln was "a plain of charcoal," and villages and towns in the west of Havnor had been burnt to the ground. The king's wizards had spell-caught and killed several dragons over the Pelnish Sea, which probably increased the dragons' ire. Just as Erreth-Akbe returned, the Great Dragon Orm flew to the City of Havnor and threatened the towers of the king's palace with fire..settle the quarrel. "You can sleep in the nook under the west window. There's an old pallet in the woodhouse. Air it. Don't bring mice in with it." And he stalked off towards the Overfell, angry with the boy for coming and with himself for giving in; but it was not anger that made his heart pound. Striding along-he could stride, then-with the seawind pushing at him always from the left and the early sunlight on the sea out past the vast shadow of the mountain, he thought of the Mages of Roke, the masters of the art magic, the professors of mystery and power. "He was too much for 'em, was he? And he'll be too much for me," he thought, and smiled. He was a peaceful man, but he did not mind a bit of danger..,"What's that all about?" She leaned on the table with her elbows and moved her hand.He left her at the corner of the street, a narrow, dull, somehow sly-looking street that slanted up between featureless walls to a wooden door in a higher wall. He had put his spell on her, and she looked like a man, though she did not feel like one. She and Ivory took each other in their arms, because after all they had been friends, companions, and he had done all this for her. "Courage!" he said, and let her go. She walked up the street and stood before the door. She looked back then, but he was gone..thin, with a sullen, steady gaze..It was only illusion, of course, but it checked him a moment in his spell, and then he had to undo the illusion, bringing back the door frame around him, the walls and roof beams, the gleam of light on crockery, the hearth stones, the table. But nobody sat at the table. His enemy was gone..court to Havnor and made Havnor Great Port the capital of the kingdom. More central than Enlad,.sad. His way of speaking was harsh, quick, dry, peaceable. The men of the Isle are not always.Ivory departed. He did not return for two days. On the third day he rode experimentally past Old Iria, and she came striding down to meet him. "I'm sorry, Ivory," she said, looking up at him with her smoky orange eyes. "I don't know what came over me the other day. I was angry. But not at you. I beg your pardon."
