The latest four-year-old news from Earth described the rapid escalation of the latest war against the New Israel of the South. Only this time the EAF was getting involved. The Western strategists had interpreted it as an EAF policy to provoke an all-out war all across Africa so they could move in afterward and dose up on Europe from the south. Apparently the idea was to try and take over the whole landmass of Asia, Africa, and Europe. Why did they want to take over the whole of Asia, Africa, and Europe? Colman didn't know. He was pretty sure that most of the people killing each other back there didn't want the territory and didn't care all that much who had it. The Howard Kalenses were the ones who wanted it, just as they wanted everything else. Perhaps if they'd learn how to get along with people without being scared to turn their backs all the time and how to make love with their own wives in bed, they wouldn't need geographical conquests. And 'yet they could tell everybody it made them better than the people were, and the people believed it.. "Girl, don't say such things!" Geneva admonished. "Someone will believe you. We were playing.Although scared, Curtis is also intrigued. There's something fascinating about secretly watching strangers.Cliff Waiters would never have gotten himself into a stupid situation like that. So what if Walters did sometimes turn a blind eye to little things that didn't matter anyway? Walters was a lot smarter when it came to the things that did matter. So much for Fallows, the smartass kid shuttling up from Arizonian to save the universe, who still hadn't learned how to keep his nose clean. Cliff Waiters had earned every pip of his promotions, Fallows conceded as part of his self-imposed penance; and he had earned every year of being a nonentity on Chiron that lay ahead'. Someday, maybe, he'd learn to listen to Jean.. "Of course they are. It's all a mess up there..Red blouses still draped the lamps. "If you mean systems of beliefs based, despite their superficial appearances to the contrary, on morbid obsessions with death, hatred, decay, dehumanization, and humiliation, then the answer to your question is no," she said, looking at Colman. She glanced at her grandchildren. "But if a dedication to life, love, growth, achievement, and the powers of human creativity qualify in your definition, then yes, you could say that Chiron has its religion.. "His best performance ever. Everything okay out there?.. "I don't think it could work," Pernak said, shaking his head after Lechat had finished. "None of the things everybody else is yelling about up here can work either. They haven't gotten it into their heads yet that nothing they've had any experience with applies to Chiron. 'Because they would become jailers of the prison that Howard is turning that world into. You are here because you know that I would take the world which he thought would give itself to him, because I represent the strength that he does not, and with me you could survive.'" Celia looked up again, but Stern's eyes had taken on a faraway light. "Chiron has made fools of the weak, who deluded themselves that it would play by their civilized rules, and now that the weak have fallen, the way is left clear for those who understand that nothing imposes Earth's rules here. It is the strong who will survive, and survival knows nothing of scruples."..she'd not been so confused and sad..disbelief."..Okay, so you track it all back to the Big Bang," Jay said at last.
